

Eye Specialists

PAYMENT/FINANCIAL POLICY

As a courtesy, Eye Specialists checks your insurance eligibility. This is not a guarantee of benefits or payment. The claim will process according to your health insurance plan.

It is the policy of Eye Specialists that payment is due at the time of service. We require all patients to pay their deductible, copay and/or coinsurance payment at the beginning of each visit. Our staff are available if you have any questions.

If you are covered by health insurance with medical benefits, we will be happy to bill your insurance. Please provide your insurance information to the front office staff and we will verify your eligibility coverage as a courtesy. Accepting your insurance does not place all financial responsibilities onto this practice, and you will be held accountable for any unpaid balances by your plan.

Although we are contracted with most insurance carriers, our services may not be covered by your particular insurance plan. Being referred to our practice by another physician does not necessarily guarantee that your insurance will cover our services. Please remember that you are 100% responsible for all charges incurred: your physician's referral and our eligibility verification of your insurance benefits are not a guarantee of payment.

We highly recommend you also contact your insurance carrier and check into your coverage for medical benefits coverage. Do not assume that you will not owe anything if you have more than one insurance policy.

- I agree to inform Eye Specialists of any changes to the above information after this date and understand that I will be financially responsible for any charges if I fail to update my information with the practice.
